

## Region 5 Division 1 Equipped (03/03/26) 12:55pm

### How to Qualify:

The top 12 lifters (including ties) in each weight class automatically qualify.

In addition, each Classification (5A and 6A) is guaranteed at least 4 representatives.

If a classification does not already have 4 lifters in the top 12, additional lifters will qualify based on ranking order until that classification has 4 representatives.

So in simple terms: Top 12 = automatic qualifiers.

Each classification (5A / 6A) get at least 4 lifters.

Extra spots (if needed) go to the next highest-ranked lifters from the classification that haven't reached 4 yet. (LISTED AS "CLASSIFICATION")
